Mercury Enterprise Quality Management System (EQMS): EQMS Software Upgrade and URL Change

Dear Mercury Marine Supplier:

The EQMS Software Upgrade has been completed. Please remember to use the new URL to access EQMS. We recommend that you clear your internet cache and update any saved Favorites or Shortcuts.

What's new with the Mercury Enterprise Quality Management System (EQMS) Upgrade?
- New URL for EQMS
    - https://eqmsprod-mercurymarine.qad.com/#/login
- The new URL will **not** change your current EQMS username and password.
- New look of the Navigation Menu and Process Icons
- Icons moved from the Blue Header at the Top to the bottom of the page ("States", "Save" and "Close" buttons are now in the bottom right corner)
- Updated Look of Document File "View File" field

Thank you,
The Mercury EQMS Team
